present:

# Healing Justice: Film Screening & Dialogue with Dr. Shakti Butler

Dr. Shakti Butler's newest film, **Healing Justice**, explores the causes and consequences of the current American justice system and its effect on marginalized communities. This powerful documentary addresses the school-to-prison pipeline, the need for comprehensive criminal justice reform, and the importance of healing and restorative practices. Designed for dialogue, **Healing Justice** is meant to prompt questions and open conversations, exploring trauma, justice and healing.
